

DEADLINES FOR FASIG-TIPTON SARATOGA SELECT SALE 2003

This checklist is to help you organize the necessary material to sell your horse in the 2003 Fasig-Tipton Saratoga Select Sale. We are asking you to mail registration papers, coggins, EVA, etc. to Paramount Sales approximately 1 week before they are due at the sales company. By sending information to us, we can log the receiving date in the computer; make a copy for our files, and hand deliver the originals to Fasig-Tipton. This will allow us to keep track of information that has been received and what is missing before the due dates. All horses are required to be tested for EVA. The samples may be tested at your nearest approved diagnostic center. You must mail the results to Paramount Sales; the lab is not responsible for sending results. Thank you for your help.
